ALMONARCH

"We remember the stunning anouncement of your death.

We remember the flag sliding down the staff in a bitter November wind.

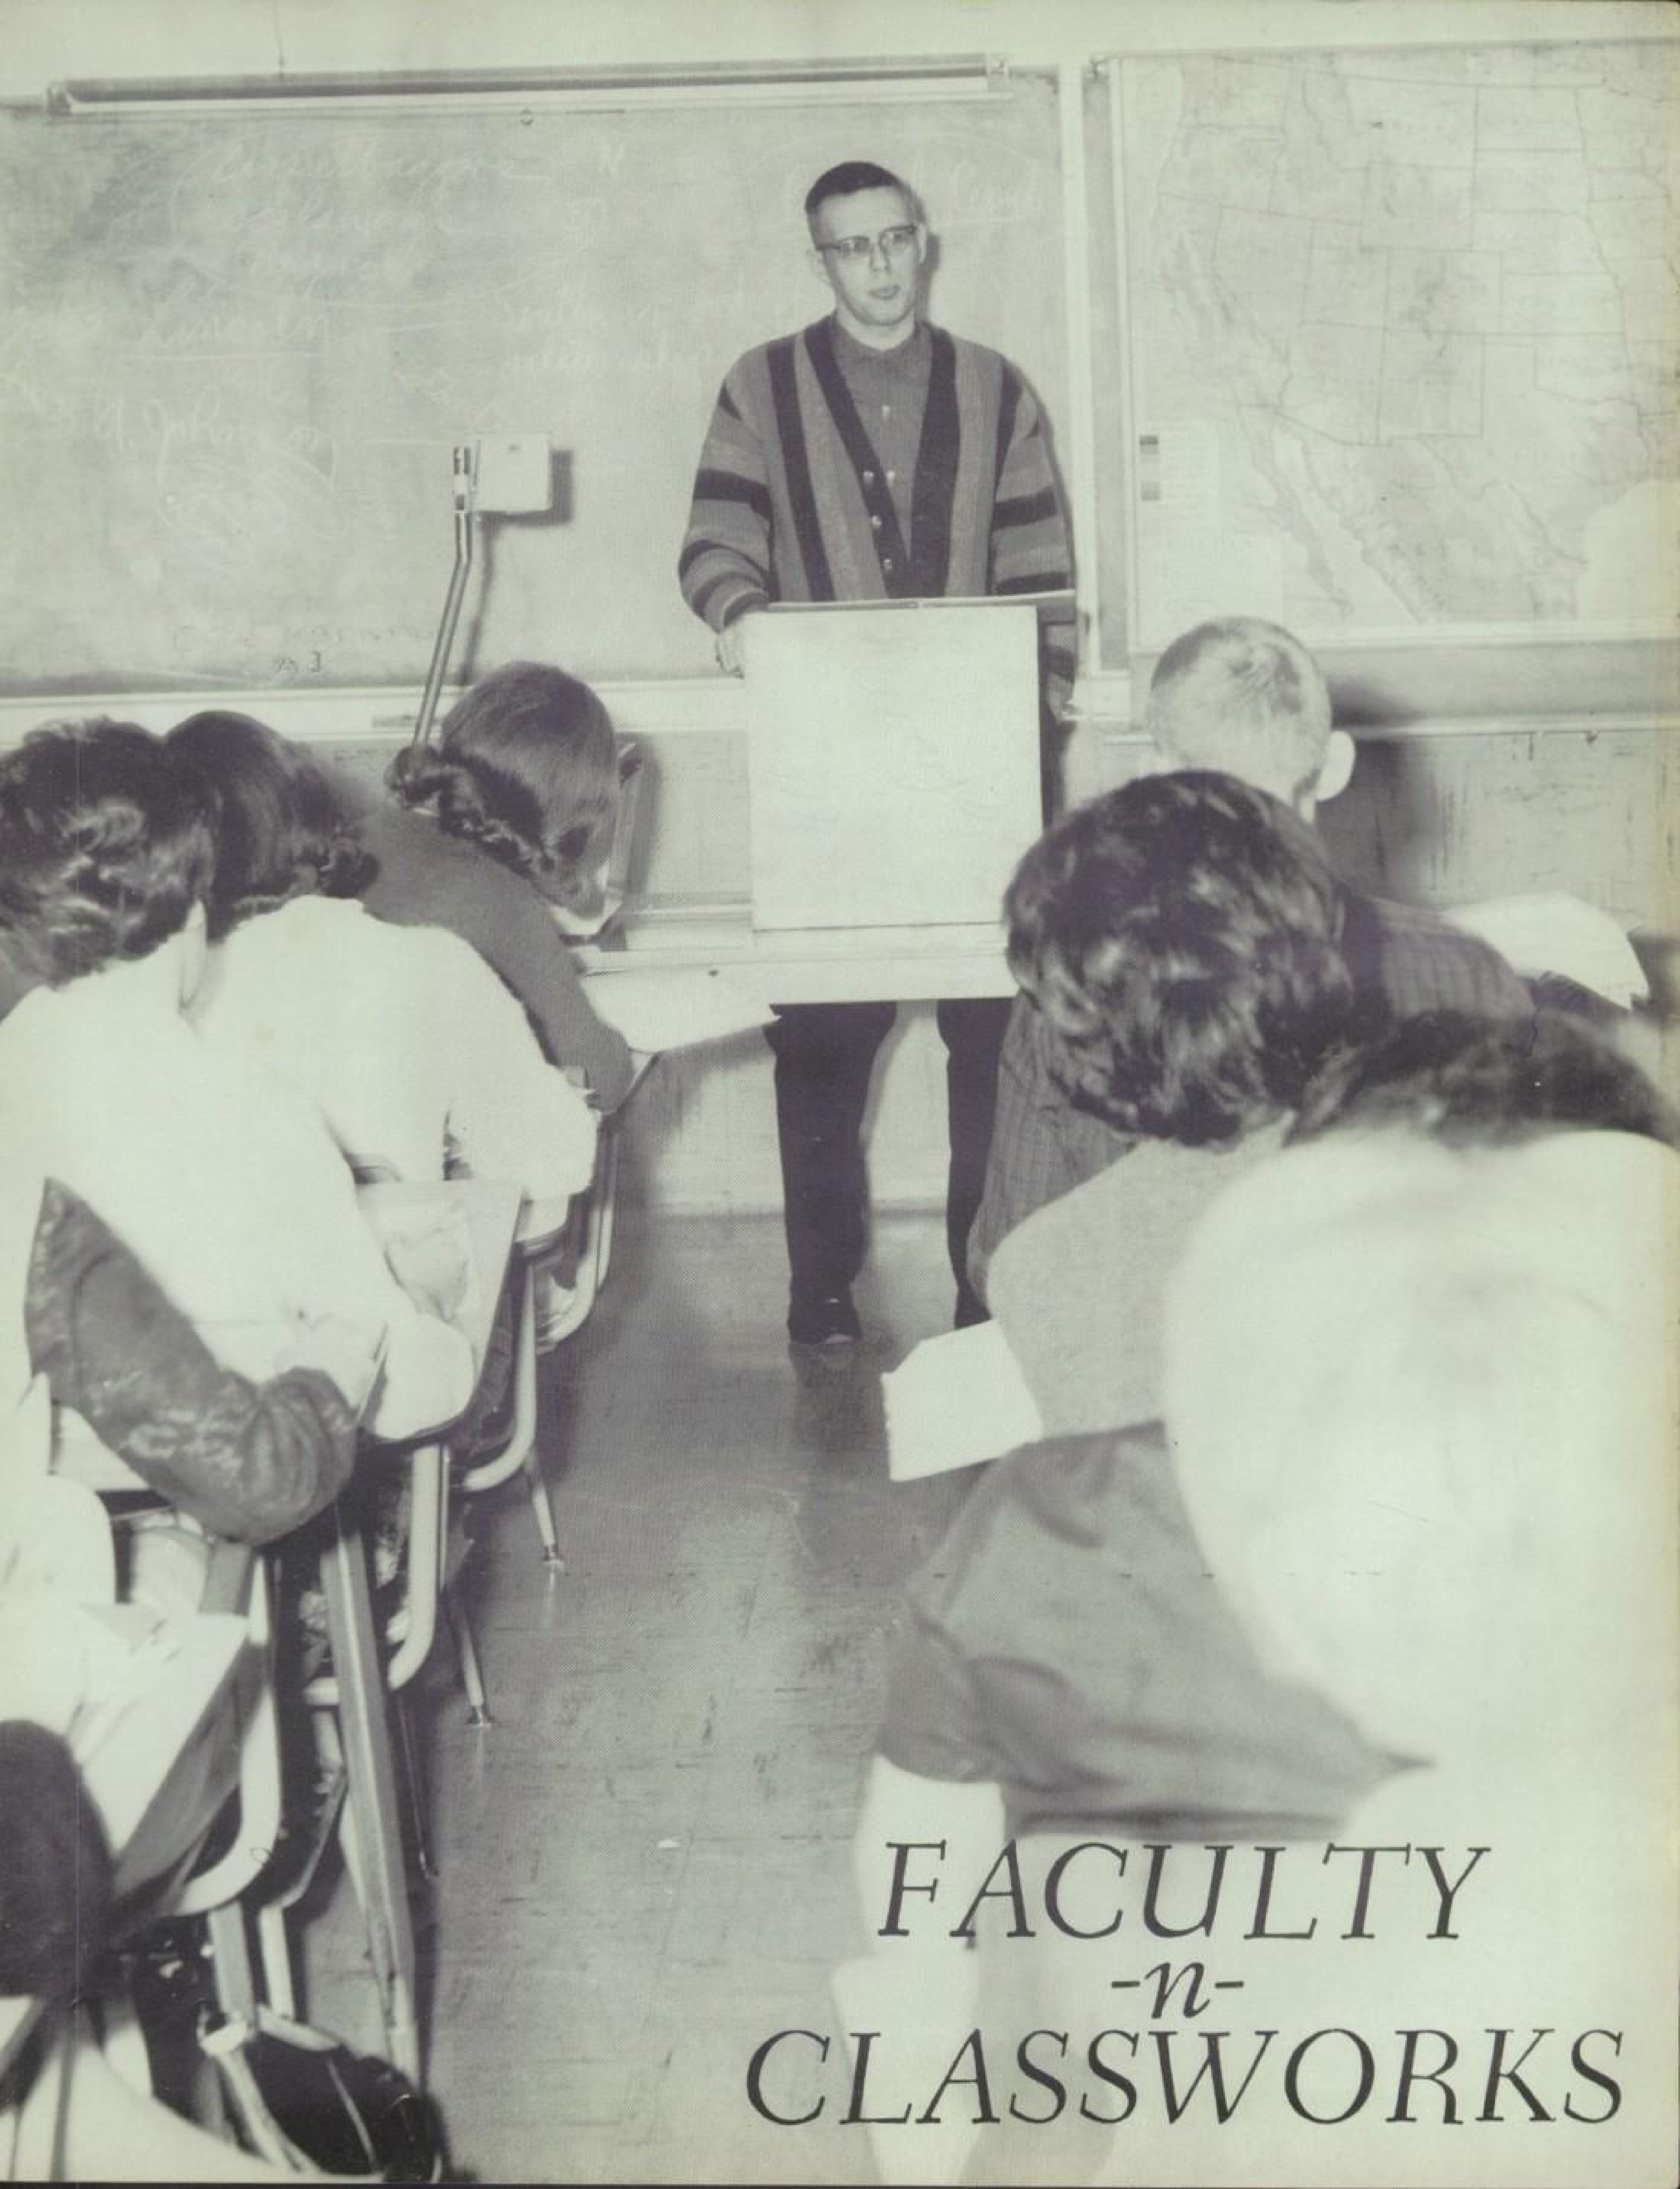

We remember the steady drum cadence beating against the sky on the way to the capitol.

We remember the wail of Scottish bagpipes at Arlington

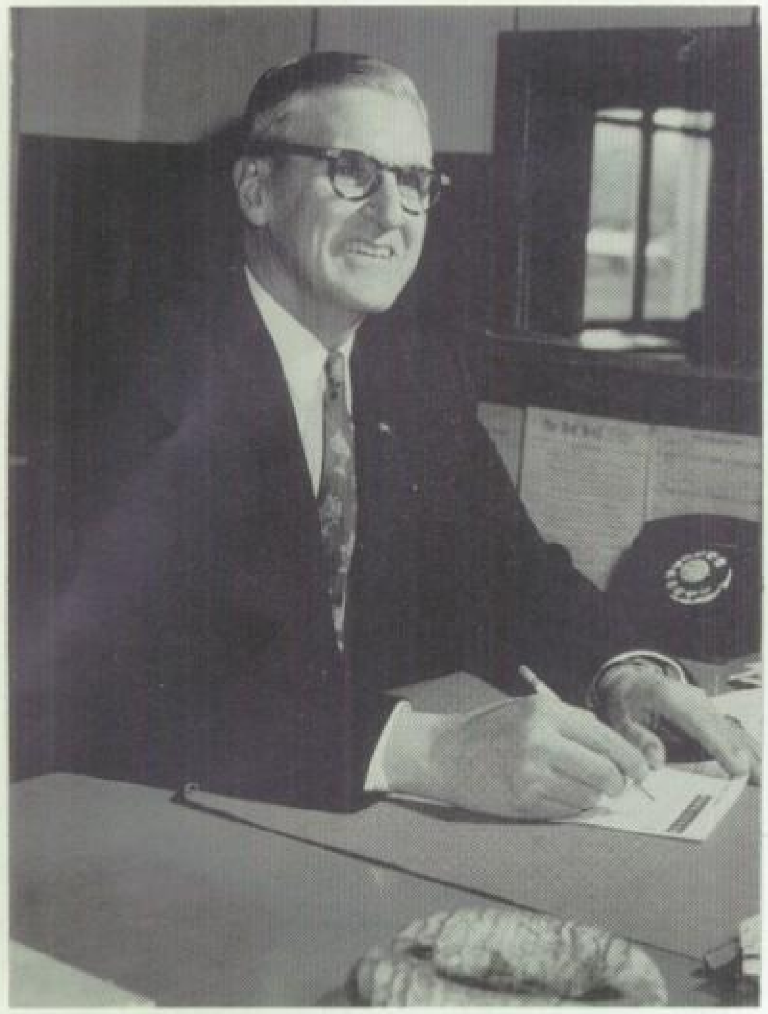

We remember the bravery of your wife and the anguish of heart that the sight of your children brought to us.

We remember you, John Fitzgerald Kennedy."

BOARD OF EDUCATION

DR. WENDELL KIRKPATRICK, President; CORRINE MILES, Secretary; NOAH ANDERSON, HARRY CALBOM, JR., HOWARD MILLAN, MARK HOEHNE.

The year 1963-64 has been a most happy and successful year for me. This pleasure comes from seeing young people grow both physically and mentally into mature men and women. I know that the experiences students have had this year and throughout their high school years will become a part of the firm foundation upon which they build their future life.

Edwin G. Anderson

ADMINISTRATION

This is a decade for mutual respect for our fellow man. A time when we are looking at ourselves and our ways of life.

The philosophies you have developed in your high school can help make you realize the great potential of our nation. Use these values you have gained to become leaders in your neighborhood, community or nation. Remember that you have been in high school only three short years, but what you have learned can last a lifetime.

Last December Mark Morris received visual communications equipment valued at $3,000 from the 3M Company of St. Paul, Minnesota, as the result of a proposal submitted last fall.

Mark Morris, Jefferson High School in Portland and the University of Portland were selected from this area by a national selection committee of educators and publishers in the field of education to receive the equipment as part of the 3M Company's $1,500,000 assistance grant to education.

Selected first by our local selection committee and then by a national selection committee of prominent educators as one of 500 schools out of the more than 14,000 schools considered across the nation, Mark Morris received 11 classroom overhead projectors, two transparency makers and transparency film and copy paper. This visual communications system enables teachers to produce transparencies from a variety of source materials such as newspaper articles, textbook materials, student homework or class assignments. "Projected before their classes, teachers can use the transparencies to present new ideas and facts dramatically," according to Bert S. Cross, 3M Company president.

This award is a great reflection of the resourcefulness and demonstrated interest in improved classroom communication, that the faculty has shown throughout the seven years of Mark Morris' existence.

AMERICAN FIELD SERVICE PARTICIPANT

JEFF REENTS VISITS BELGIUM

Jeff Reents, ASB President, was chosen as the Mark Morris American Field Service exchange student for the year 1963-1964. For a duration of three months, Jeff toured such European countries as France, Belgium, and Italy. He spent seven weeks living with the Neirynck family in the small town of Oedelem, Belgium. They had one eighteen-year old son.

Jeff, a blond, blue-eyed Senior, would like to return to Europe some day only when he has more time available for seeing the countries. He recommends the American Field Service Program and feels that any student selected to go is very fortunate for the opportunity.

What are you trying to sleep off, Jerry?

Quiet, group at work.

Don't just stand there, Pam -- help her ! !

Is this your new Easter bonnet, Helen?

Odd odor on the bottom of your shoe, Rich?

GRADS' CUTUP

Looks like an eighth grade party.

Hey, Kay, what's going on here?

Smile, this is the last pose you get.

Hey, bring on the girls.

DEDICATION

The Almonarch 1964 is dedicated to Mr. Wayne Mann in appreciation for those many things that he has done for the students of Mark Morris. We feel that he has his own private line of communication to school activities and because of his efforts we have the finest high school anywhere. He is always willing to find time to meet with student groups and to counsel with them in finding solutions to their problems. It is our sincere wish that we may take this opportunity to say, "Thank you, Mr. Mann, for all of the things that you have done for us."

Mr. Mann came to us from our cross-town rival three years ago and brought quite a record of success in coaching and participation in athletics. Space does not permit the listing of all of his accomplishments and records. He played basketball in high school and college and also participated in track, setting several records, one of which must be mentioned--a high jump of 6' 6." at the New Caledonian Games.

Mr. Mann and his lovely wife, Donna, pictured on the following page, Mike and Wendy Mann have resided in Southwest Washington for several years, first at Toutle Lake where he established an enviable record coaching basketball and then to Longview.

It is evident on the following page that Mr. Mann has had an interest in athletics, became acquainted with the "board of education" early in his college career and took his training in athletics quite seriously as a clipping from the Deseret New shows him trying to avoid a bar.

R. A. LONG IS UP ENDED.

WHO'S GOT THE BALL?

HE STILL GOING.

Certainly it must be said that 1963 was Mark Morris' finest season in football. The Monarchs were a small but scrappy team and they responded to the excellent school spirit and enthusiasm given them with a hustling, exciting brand of football which copped them a second place finish in the S.W.W. Small AA League. Squad members will always cherish memories of the C. S. drills, the "Wind Sprint Song", and the "Wheaties Box Top Plays." They will also appreciate deeply the excellent coaching given by a fine coaching staff headed by Les Smith and Bob Hanson.

The winningest season yet should be recorded as a tribute to the indomitable spirit of our senior squad members. When a group as physically small as these fellows were can come within a half game of a championship and place several players on the all-conference team, we can be extremely proud to be associated with them. This spirit so often displayed by the seniors is a splendid basis of espirit-de-corps on which the fighting tradition of Mark Morris will be carried for many years.
